

Summer 2025 Dance Camp at AAPA

Oh what fun is to come...here on Maui! We are so excited to offer an inclusive, energetic, and specialized summer dance camp experience at AAPA! This exclusive dance camp is a wonderful

transition from weekly classes to an individualized experience of an intensive right here on the island. It is perfect for dancers who are still growing into their solid ballet foundation, while investing their training time to embrace the small teacher to student ratio. Our schedule allows every dancer to enjoy the Hawaiian culture and our beautiful studio environment. Each week consists of ballet technique, jazz, contemporary, variations, musicality focus, acting, improvisation, & more! The conclusion of each intensive week showcases a small in-studio performance every Friday.
