

Summer Intensive On Maui

Join us for a transformative summer experience at our Maui intensive for ages 14+! Enjoy high-caliber training, specialized classes, and guest teachers from near and far. This program is perfect for dancers who have

a solid ballet foundation from a reputable ballet school, small teacher to student ratio, and an individualized experience in an intimate environment. Our schedule allows every dancer to enjoy the Hawaiian culture and beautiful setting all around. Our flexible options allow dancers to sign-up for one, two or three intensive weeks. Each week consists of ballet technique, pointe/variations or men's work, partnering, choreography, and contemporary classes. Additional classes such as musicality, anatomy, and physical therapy are included within the schedule as well. The conclusion of each intensive week showcases an informal performance every Friday. *More information is on our website at www.AlexanderAcademy.info*
